

Building Drive and Motivation: A Seminar for Performance Dogs Saturday October 20, 8am-4pm in San Jose, CA

Pawdemonium Flyball team is proud to offer a **drive-building seminar** with **Denise Fenzi** in San Jose, California. Denise's positive training methods are widely recognized for producing dogs with exceptional attention, accuracy and enthusiasm for their work.

This seminar will examine canine "Drives and Motivators" in depth and is well suited to those competing in agility, flyball, obedience, schutzhund or any other sport which values intensity, endurance and focus in a competitive environment. The emphasis in this seminar will be on "play" and using prey drive effectively to motivate performance and speed in the competition dog. In addition, food, pack, and hunt drives will be covered. Denise will teach exercises and games to improve focus and drive and to help participants build their relationships with their dogs. We particularly welcome young puppies and their owners in working spots.

Pawdemonium will donate any profits to a "doggy charity".

Denise is a twenty-five year veteran of training, competing, and titling in schutzhund, obedience, tracking, agility, conformation, and herding who has earned multiple HITs in obedience and schutzhund along the way. Denise regularly teaches obedience and relationship/play skills for students competing in a range of sports.

In competition, Denise's and her students' dogs routinely score in the high 190s in AKC obedience and high 90s in schutzhund obedience. Denise and her current competition dog Cisu have multiple HITs in both AKC obedience and Schutzhund trials, and are currently working on their OTCH. Denise breeds working Belgian Tervuren under the kennel name "Sprite"; you can learn more about Denise and her dogs at www.spritebelgians.com

To register, send the form below with a check payable to Pawdemonium LLC **by closing date: Oct 6th**.

The seminar fee is \$100 for a working spot and \$50 to audit. Fee includes drinks, continental breakfast and afternoon snacks. Lunch is not included but an hour lunch break will be provided.

Oct 20th Building Drive and Motivation Seminar: Any profits will be donated to a TBD 'doggie charity'
